I would like to dedicate this book to:

Karen & Georgia, who've brought me joy and laughter at the hardest times of my life and who feel like old friends after years of listening.

Kendall Rae, who I've followed since her beauty guru days and I admire so much for bringing awareness to big issues and raising money for victims.

And to my best friend Chloe, who shares my deep love for true crime.

MURDERINO

- a. stays out of the forest
- b. stays sexy
- c. does not get murdered

High-Roller Court Cases
 On August 1, 1995, the Supreme Court decided in *Lucas v. South Carolina Coastal Council*, 501 U.S. 107, 118 S.Ct. 278, 114 L.Ed.2d 224, that the Takings Clause of the Fifth Amendment to the U.S. Constitution requires compensation when the government takes private property for public use. The Court held that the South Carolina Beachfront Development Act, which prohibited new construction on the beachfront, constituted a taking of the appellants' property.
